VISION

- ▶ **People in hard communities everywhere, reached with the gospel and equipped to reach others.**

MISSION

- ▶ **Empowering people to live out their identity in Christ through life on life discipleship.**

RTNI BOARD

"We founded RTNI because we love Jesus and we love kids. Our kids are right at the center of God's heart."

Aaron & Emily Starr, Founders

"I deeply believe in the vision that God has placed on the hearts of Aaron and Emily. RTNI's approach of life-on-life discipleship reveals the true heart of God being consistently displayed through all those who serve and support the ministry." -

Bobby Davern, Board Member

"I am aligned with the organization's intention to shine the light of the gospel in hard places. I am excited about the organization's vision and I love interacting with the children. I serve on the board because it allows me to provide insight to our great team while also learning and being on mission."

Devin Schaffer, Board Chair

"My passion and commitment to the mission of RTNI stems from memories of my own adolescence and young adulthood navigating identity in a society that is less than encouraging to specific groups of people. An encounter with Jesus changed the entire trajectory of my life! And that introduction was made by life-on-life discipleship – a core tenet of RTNI's delivery of the gospel."

Shawana Jackson, Treasurer

"I believe we are called to be ambassadors in the earth. To give of our gifts and talents in a way that helps make the world and those we touch better. Teaching, ministering, and serving those in need is a blessing and a call we should all answer as we can."

Renea Dowdy-Williams, Secretary

"I serve with RTNI because it's all about discipleship relationships. Nothing matters more than building strong relationships for the kingdom of Christ."

Lydia Prenger, Board Member
