

YOUNG READERS SUMMER ACADEMY

Inspire Kids to Love Learning!

As a response to COVID-19, RTNI is bringing an outdoor reading and academic support program to 60 students in grades K - 6 at the Thornwood Commons Apartments. Would you join our team?

Volunteer Roles:

Tutors come one day a week and connect with 2 students, for one hour each. Tutors do not need previous experience.

Classroom Teachers lead the tutoring process one day a week for nine weeks.

Education Consultants help train and equip tutors.

Community Connectors know parents and students, and help with communication.

The Equipment Team creates the learning space through setting up or tearing down tables and supplies.

Next Steps:

1. Complete the Application and Background Check at reachtni.org/volunteer
2. Complete a phone interview (we will call you after receiving your application)
3. Attend an online training
4. Show up and enjoy this mutually life changing experience!

*All volunteers will follow RTNI COVID-19 safety protocol. Visit reachtni.org/volunteer to read our current protocol.
